

## Quick Reference

- A Member Login**, using your username and password, grants you access to all Raz-Kids content.
- B The Resource Menu** is the heart of Raz-Kids. Here you will find all the leveled books and assessments!
- C Use the Search Bar** to quickly find a resource to address a specific topic, skill, or interest.
- D Manage Students** is the starting point for accessing your student roster, reports, and assignments. This is also where you go to score student activities in your In Basket.
- E The Teacher Corner** offers helpful information such as instructional tools, a level correlation chart, student connections, and more to support your planning and instruction.

Revised 082019
